

Long-Range Rifle for Coyote Hunters

"Only Hits Count"

Our Enhanced Rifle Skills course is 5 full days of professional instruction for the shooter who wants to learn to use his rifle from close range to 600 meters.

Date

08-12 July 2016
(Monday to Friday)

Location

MilCun Training Center
near Minden, Ontario

Includes instruction, demonstration and coached live fire. Subjects are:

- Equipment - gadget or tool
- Marksmanship - fitting the rifle - shooting well
- Elevations for longer ranges - create an elevation chart
- Basic Wind Reading - direction & speed
- Learn how to get a first round hit back to 600 meters (and beyond if time allows)

Cost:

\$900.00 includes instruction, range facilities, an onsite lunch each day and all applicable taxes.
