C8 Operator/Instructor and Police Tactical Rifle Marksmanship Course

Colt Canada and MilCun continue to team together to offer you a unique opportunity to train Instructors and Tactical Officers in weapons handling skills and marksmanship. The course focuses on the Colt Canada Carbines and the practical skills to employ them accurately and reliably in the world of law enforcement.

Prerequisites: For C8A2 Operator portion, student will require Colt Canada equipment. If your agency does not have such equipment, let us know and we will make appropriate equipment available. For Tactical Marksmanship portion, student must have completed an Operator course for the weapon he intends to use during the course.

The aim of this course is to develop your handling and marksmanship skills with your Colt Canada tactical rifle or carbine. The course includes:
