

OSA (Operational Shooting Association) is proud to sponsor

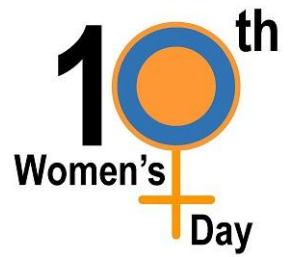

10th Anniversary!

Women's Day at the Range

Saturday, 22 September 2018

at the MilCun Training Center near Minden, Ontario

For women, by women

Introduction to the AR-style rifle and the pistol

2009-2017 alumni welcome!

Whether you've never handled a real firearm or you're an experienced shot, you'll enjoy the day. We'll cover safety, handling and dry-firing before we go to the range and then we'll live fire the "tactical rifle"... a little lunch and then back out to the range to fire "tactical pistols"... then an opportunity to shoot steel targets (very satisfying!)

Everything is supplied: rifles, pistols, ammo, targets, safety glasses, hearing protection... and lunch. (Thanks to OSA members and MilCun.)
