Course Description – Urban Police Sniper

'To Fire a Perfect Shot in the Urban Environment'

The Urban Police Sniper Course includes instruction and coaching in the following skills:

- Review of marksmanship skills & accuracy applications
- 25-300 meter walk back
- Improvised shooting positions (field expedient & using props)
- Hasty deployments (planning, preparation, operations)
- Advanced marksmanship (snap fire, rapid follow-up, moving targets)
- Stress management (3-phase planning, stress exercises, one-shot exercises)
- Urban hides construction & application
- Vehicular hides construction & application
- Using walls and buildings
- Shooting from heights/high angles
- Intermediate barriers and penetration demonstration

Prerequisites:

- All police sniper students must be serving or retired police, military or armed security personnel.
- PS1 and PS2 must be completed to our standard (or equivalent training).
- Several years of experience as a police or military sniper.
